

DATE: 19 & 20 September 2019
LOCATION: Pretoria South Africa

The Ultimate Tactical **Combat** Challenge (UT**CC**) will take place on 19 & 20 September 2019 and will be as challenging as ever.

Local and international tactical operators will tackle the demanding 2 day adventure.

The UT**CC** is compiled by members of TSU Training Solutions who have experience, embedded in specialised operational tactical units. The challenge is to test the fitness skills of competitors (physical endurance), firearm skills, handling a stress situation and driving ability.

These competitors will be tested to the extreme and under difficult conditions. The competition contains tasks that are built on each other - that require stamina and tactical preparation.

The UT**CC** will demonstrate the skills, fitness and endurance of the best of the best Tactical Operators in Africa. In the future, this will prove to be the ultimate international tactical challenge. All competitors will be evaluated by members with professional experience in specialised operational tactical units.

We invite you to join us on this spectacular and Challenging event. Register today, test your **TEAM'S** endurance, skills and physical ability. Prove you are the **BEST!!!**
